

## Projected Schedule of Courses in Educational Leadership

The College of New Jersey’s program of study in Educational Leadership is aligned with the certification requirements of the New Jersey Department of Education and the Professional Standards for Educational Leaders (PSEL). In planning programs of study, students should consult with their program coordinator or advisor to ensure proper sequencing of coursework in a manner consistent with their needs. The *projected* schedule is designed to assist students in their planning, but they should refer to TCNJ’s Primary Academic Web Services (PAWS) to access the actual schedule of courses for each semester.
